# THE SYNESIS DIFFERENCE

## Connecting People, Business & Technology™ Since 1994

With over 25 years of experience as a consulting and implementation firm, our sweet spot is leveraging technology to help companies harness their growth.

Manufacturing, distribution and customer service is our thing, with primary expertise in **Enterprise Resource Planning (ERP)**, and **Quality Management (QMS)**.

# WHY CHOOSE SYNESIS?

**Unique  
Advantage**

**Value**

**Customer  
Service**

With so many consulting and implementation firms out there, people often ask us why they should choose Synesis during such a critical time in their company's growth. To put it simply, Synesis has the **unique advantage** of operations, technology and engineering experience that our competition is simply unable to match.

Our clients select Synesis for the **value** and **customer service** we deliver. We are determined to employ structured planning and execution methods to help ensure success.

# NEXT-GEN PRODUCTS & SOLUTIONS

Synesis is proud to be certified **Microsoft** and **SAP** partners. Building our solutions on world-renowned software allows us to deliver superior solutions that you never have to worry about.

**Microsoft** Partner

## SAP BUSINESS ONE

ERP Software That Gives You 360° Real-Time Visibility

## SHAREPOINT QMS

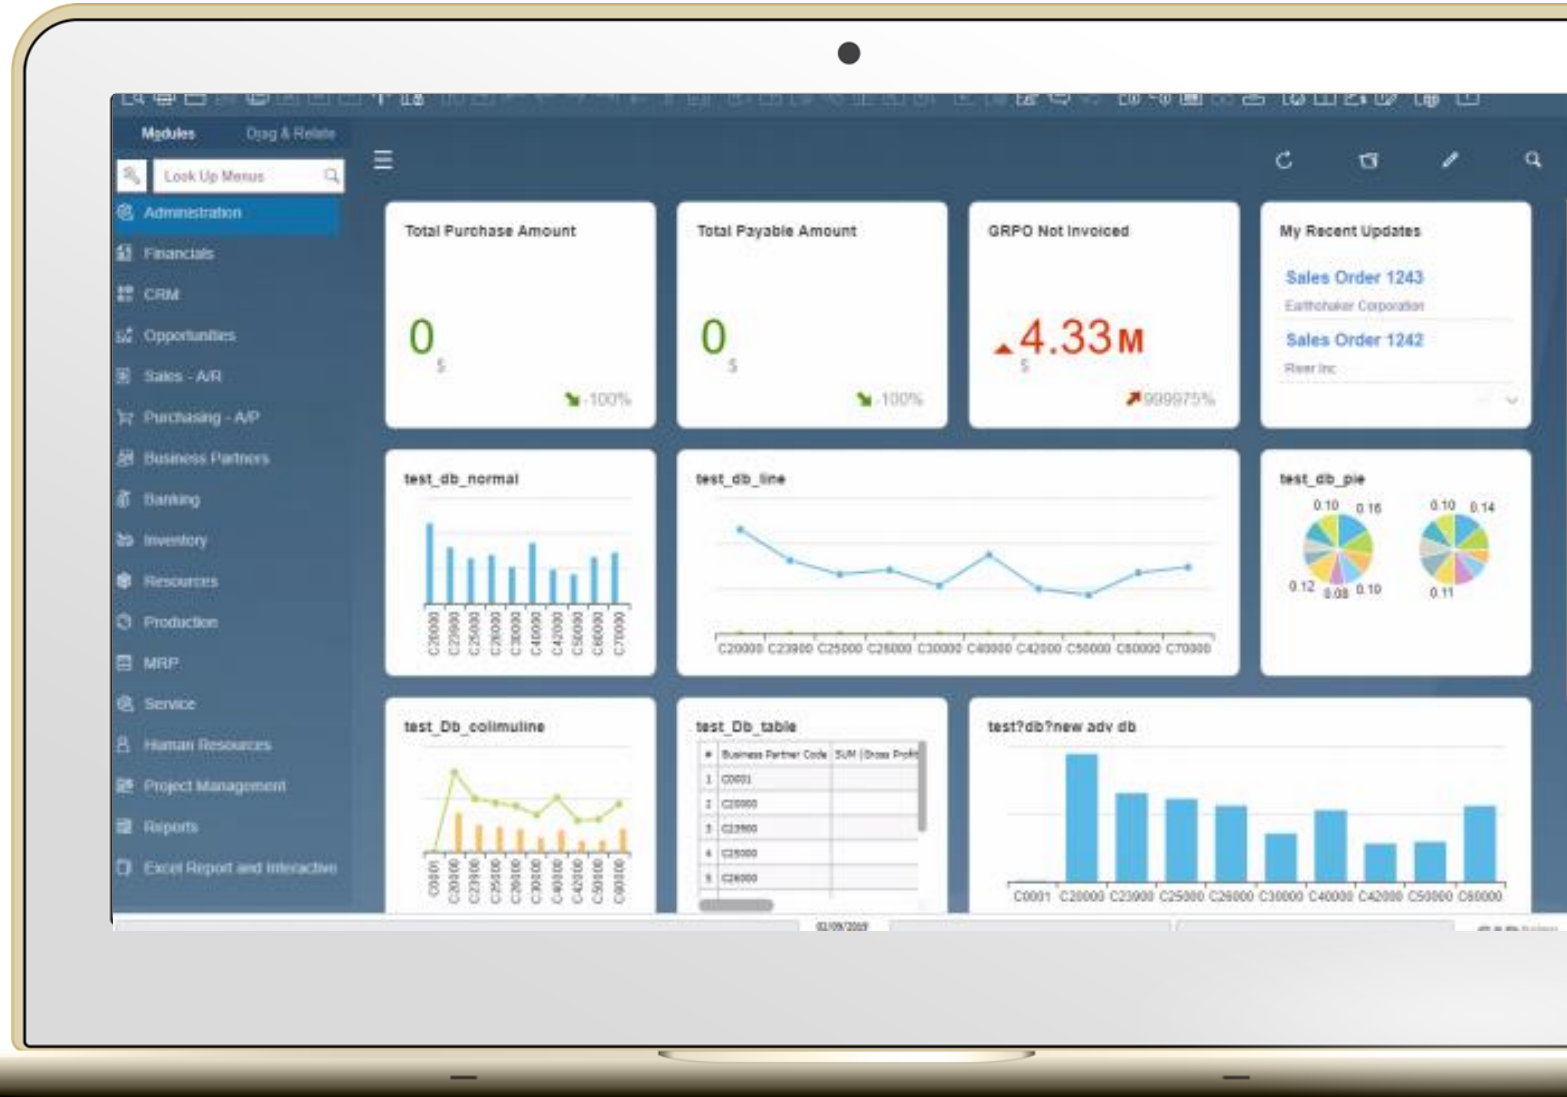

Streamline Your Path to Compliance

# NEXT-GEN SOLUTIONS

## SAP BUSINESS ONE

ERP Software That Gives You 360° Real-Time Visibility

- With SAP Business One, you can instantaneously access a complete, up-to-the-minute view of your business —so you can respond to customers quickly and grow your business more profitably.
- Unlike niche solutions, SAP Business One provides complete business management functionality: financials, sales, customers, inventory, production and operations.

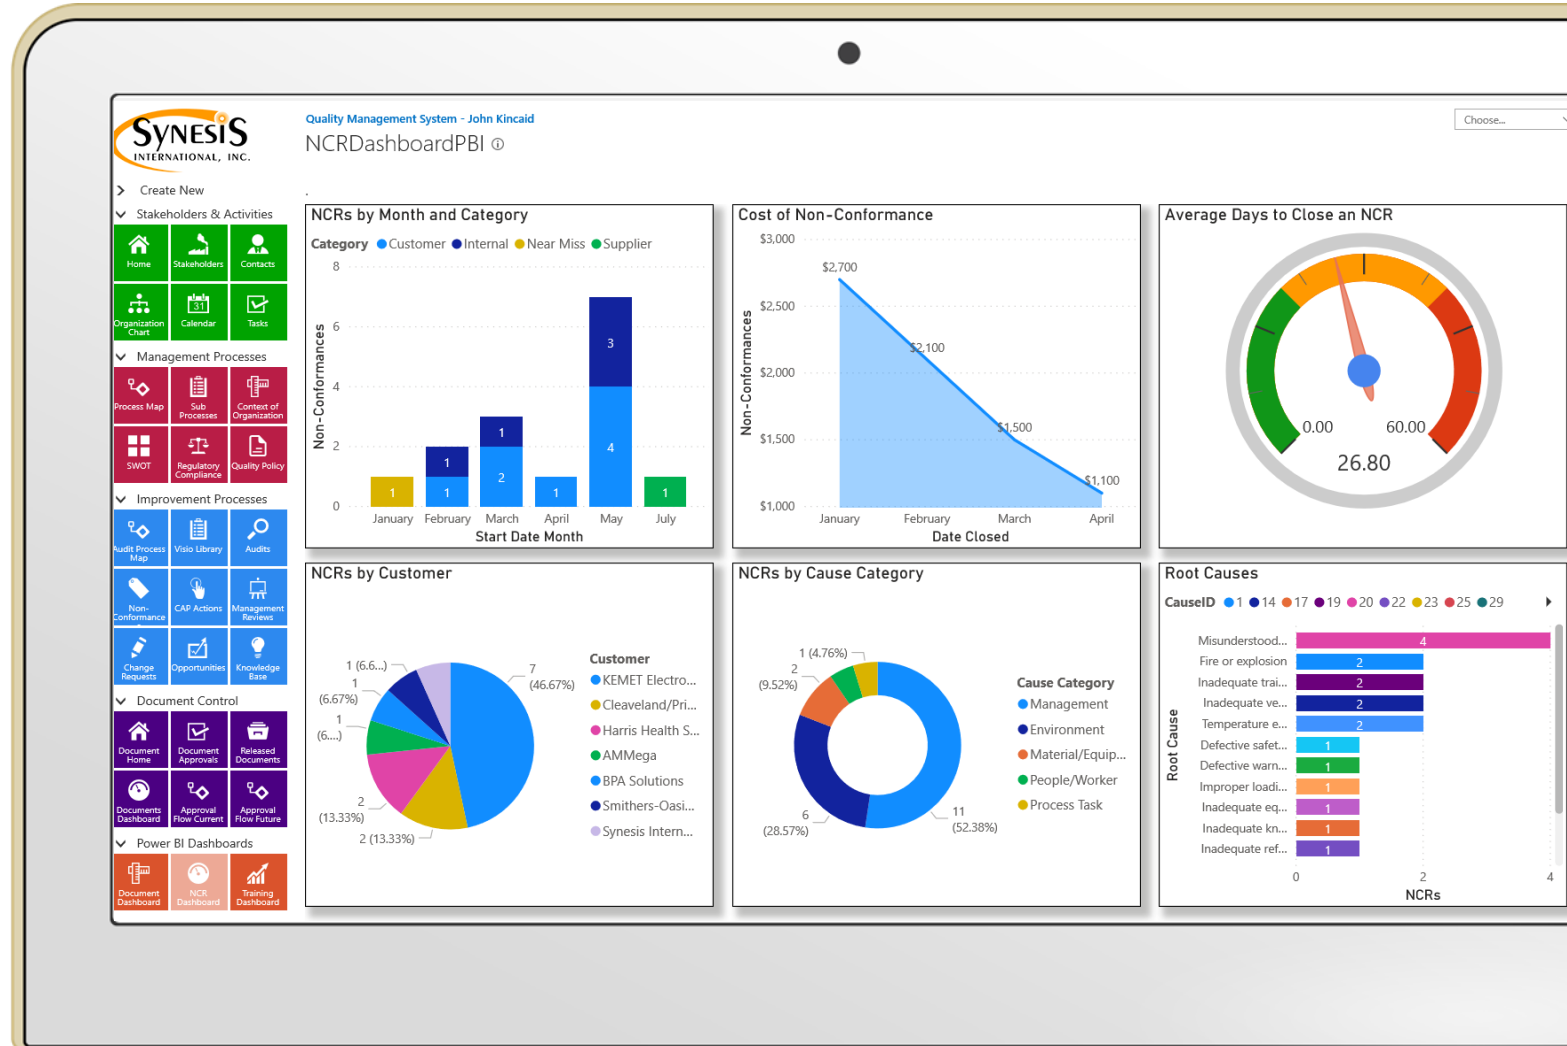

# NEXT-GEN SOLUTIONS

## SHAREPOINT QMS

### STREAMLINE YOUR PATH TO COMPLIANCE

Built on the leading Microsoft Office 365 and SharePoint technologies — We have flexible quality management deliverables that include: **NCRs & CAPA**, **Training Management**, **Risk & Safety** and **Document Control** to help you ensure company-wide alignment to improving quality and reducing risk while saving time and money.

# DON'T TAKE OUR WORD FOR IT
